ABOUT ME

I'm ATHIKHUR RAHMAN Sheik, a driven and ambitious Electronics and Communication Engineering student. With a strong academic background and a passion for learning, I have been actively seeking opportunities to gain hands-on experience in the field. I have completed internships in various domains, including Telecom Technology at Bharat Sanchar Nigam Limited (BSNL), VLSI at Skill Dezire, and Embedded Systems at Externs Club. I am also skilled in Android App Development and PCB Design, having completed training sessions in these areas. As a detail-oriented and enthusiastic individual, I am eager to apply my knowledge and skills to contribute to innovative projects and collaborate with like-minded professionals. I am excited to connect with you and explore opportunities for growth and development."
